

2009 Season Registration Information

Welcome to another season that will prove to be a fun packed year for everyone!

Please save this packet of information, some of its content won't be of use until we get closer to the season beginning, but is important for you to plan ahead for.

2008 Board of Directors Contact List

You will find a complete board member contact list in this packet. Please familiarize yourself with the board members, they are a few parents who have stepped up to get involved and help make the season a success. We need YOU! We encourage everyone to find a way to get involved. This is your program. Plan to stay at the practices and ask the coach how you can help the team. It will mean a lot to your child as well.

Communications Streamlined

Kelley Albrecht is continuing to fill the role of information officer; she dedicates countless hours and resources establishing a computer database to effectively communicate with all the participants in the league. This will allow parents and players to communicate with coaches and all other volunteers within the league. If you haven't checked out the website: www.bllbaseball.com, take the time to familiarize yourself with it. Rain out dates? Schedule changes? Tournament schedules? Game results? **Check the website!** Go to the schedule page for upcoming events and a master season schedule once the season begins!

Kelley and Rollie Bauman are working on developing the league and team history on the website. If you have any information about the Little League organization or a specific team (coaches, sponsors, how they began, records, etc) feel free to email it to her – kelley@bllbaseball.com. Coaches will be sending game information (player of the game, home runs, etc) to be uploaded to the team web page, so if you want to find out what happened in the game you missed... Check the website!

Recognizing that there is an imperative need for effective communications, we are concentrating a lot of effort in improving our processes, and providing accurate, informative, and continuously updated communications to our parents and players. Bottom-line: **our new website will be the communications hub! Check it often!**

Player Fees/Fund Raiser Structure

The registration fee is \$25 per player - for all divisions, boys and girls, ages 5-15. (League ages based on age prior to May 1, 2009)

The fund raiser fees are based on the number of players in your family:

One (1) player - \$100 - receive 10 tickets to sell

Two (2) players - \$150 - receive 15 tickets to sell

Three (3) players or more \$200 - receive 20 tickets to sell.

100% of fund raiser money returned when tickets are sold.

Initial ticket stubs need to be turned in by Picture Day – May 17, 2009. You may continue to turn them in as you sell them through out the season.

Our Fund Raiser raffle will be for local grocer gift certificates, 2 Grand prizes will be awarded. The Grand Prizes will be a \$1000 gift certificate for Gooseberries and \$1000 gift certificate for Sentry. There will also be \$50 weekly raffles (last year it was 3 per week). Each ticket is \$10.

Additional tickets will be sold at the concessions and the stores though out the season. If you wish to sell additional tickets contact Kelley Albrecht. The Grand Prize tickets will be drawn on All Star Day – Saturday, July 25, 2009. There will be other opportunities to support the Burlington Little League Program throughout the season that are optional monetary contributions; the Golf Outing, Little League Night at Miller Park, and the Concession Stand.

With the construction of the indoor batting/pitching facility, increases in umpire fees, district fees increases, insurance expenses, and the inflation in the costs of doing business, **we are counting on your help** through promotions of the fund raiser events, and by helping us to cut costs by volunteering your time. With your help, we can continue to improve the program, and make this "the best season yet"!

Team Parents/Services Volunteers

Volunteering your time is an essential part of what makes a community special. It allows us to meet new friends, it allows us to play an active part in our child's life experiences, and it gives us a sense of accomplishment. We need your help!

Concessions

The profits made from the concessions is crucial to the continuous improvement of the program. Without volunteers to help run the concessions, it will not have a chance to be successful. We also recognize the need for consistent leadership, organization, and quality customer service. We have made deals with local grocers to provide quality products at a very reasonable rate that will move us towards meeting our goal for the upcoming season. We cannot accomplish this without you! **Parents will be scheduled by their coach/team parent to volunteer in the concessions stands according to the game schedules. If you wish to make other arrangements you may do so through them.** There is a list of opportunities in the packet, please look it over and consider being a part of the programs success!

Junior Division Program Improvements

This year, we will be focusing a lot of effort in improving the quality and competition of our Junior Division Program as these players prepare for their High School and Junior Legion experiences. The 15 year olds that do not play High School or Junior Legion will be allowed to join our 13 and 14 year olds in the Junior League. NEW this year for the Junior division is participation in Inter league pool play. They will play against teams though out the district during their regular season to give them more opportunity to gain experience and more summer fun!

Junior Division Tryouts/Draft

Sunday, Feb 14 at 1pm for the 13 yr olds and 2pm for the 14-15 yr old players at the BHS gym will be the mandatory Junior Division tryouts for all players age 13-15. If a player cannot attend prior arrangements must be made with the Board of Directors.

Major Division Tryouts/Draft

Saturday Feb 28th beginning with the 9 yr olds at 1pm at the BHS gym will be the Majors Division tryouts for any child age 9-12 who wishes to play in the Majors Division MUST attend. He or she will need to wear sneakers/tennis shoes and have a baseball glove. Please indicate on the registration form if your player plans on trying out for the Majors. . If a player cannot attend prior arrangements must be made with the Board of Directors. Check the Important Sates sheet for exact times.

Minor Division Skill Evaluation

Sunday March 22nd beginning with the 8 yr olds at 3pm at the BHS gym will be the Minors Division evaluation for any child age 8-11 who wishes to play in the Minors Division MUST attend. There will be a skill evaluation used for selection of teams either by coaches or board members. He or she will need to wear sneakers/tennis shoes and have a baseball glove. Please indicate on the registration form if your player plans on trying out for the Minors. . If a player cannot attend prior arrangements must be made with the Board of Directors. Check the Important date's sheet for exact times.

Burlington Little League provides the opportunity for every child to participate, let us know if you need information about our Participation Assistance Program.

All schedules will be provided to you within 3 weeks of the last registration date. Included in this packet is a list of Important Dates scheduled so far. As this is updated it will be communicated online and at the ball parks. Remember, don't lose this valuable information. Contact us immediately if you have any questions or concerns.

Burlington Little League is a non profit organization; please let us know if you can volunteer in any way to the Little League Program. We will help you every step of the way. If you have skills in carpentry, electrical, landscaping, plumbing, etc, we would greatly appreciate your help in these areas as well. Every successful program is driven by the quality of their volunteers.

We look forward to experiencing the great sense of community and summer fun that comes from being a part of the Burlington Little League program!

2009 Burlington Little League Fund Raisers

Burlington Little League is a non profit organization administered by volunteers, in addition to the great need for fund raising, is the need for volunteers. Please check the volunteer list enclosed to see the many ways you can contribute to the continued success of the program and find a way to help with the many fund raisers available.

Supermarket Sweepstakes Raffle

This is the "meat" of the fund raising! Without this fund raiser we would be drowning in candy bars and the likes that we get an overwhelming amount of at the schools and other activities. Who couldn't use a little help with the grocery bill these days? Our Fund Raiser raffle is for local grocer gift certificates, 2 Grand prizes will be awarded. The Grand Prizes will be a \$1000 gift certificate for Gooseberries and \$1000 gift certificate for Sentry. There will also be \$50 weekly raffles (last year it was 3 per week). Each ticket is \$10. Additional tickets will be sold at the concessions and the stores though out the season. If you wish to sell additional tickets contact Kelley Albrecht. The Grand Prize tickets will be drawn on All Star Day – Saturday, July 25, 2009.

Concessions at Hintz Park and Branen Field

The profits made from the concessions is one of the single most monetary contributions to the little league program. It is crucial to the continuous improvement of the program. Without volunteers to help run the concessions, it will not have a chance to be successful. It also would not be a success without Gooseberries and Charcoal Grill. They not only provide us with great food, but the unbeatable prices allow us to maximize our profit, especially in a time when the cost of groceries proves it difficult to keep the prices reasonable. Gooseberries takes it a step further and provides the Little League with the "Little League Brat" and in store profit sharing on the sales of brats April to September.

Chocolate Fest Concessions and Raffle Ticket Sales

Last year the Chocolate Fest concessions contributed over \$4000 to the program. It was great fun, as well as raising some much needed awareness in the community. We look forward to participating again this year, please consider joining us, we need your help to make it a success!

Golf Outing Fund Raiser

Please join us for the 2009 Burlington Little League Golf Outing on **June 16, 2009**. We will have a great day of golf at the beautiful Grand Geneva Resort in Lake Geneva, WI (www.grandgeneva.com). The event will include a 4-person best ball, box lunch, buffet dinner and awards receptions following the golf. Featured events for the day will include: Putting Contest, Closest to the Pin Contest, Longest Drive Contest, Mulligans, Player Gifts, Prizes and Awards, Raffle, Super Ticket, Silent Auction and much more. Register now and remember to invite your friends to play. Contact John Grimme – 262-949-0014 or Mike Anderson – 262-206-9572 to register.

Little League Brewer Night

Save the date! **Tuesday, June 23, 2009**. Managers and Coaches will walk their team around the ballpark prior to game time. Bring your friends, family and teammates to the annual Little League Brewer Night Fundraiser.

Players - BE SURE TO WEAR YOUR UNIFORMS.

Burlington Little League will receive 50% of all our tickets sales! Lets make this a great day at the park and a great fund raiser. More info will be available on purchasing tickets soon. Keep checking the website for updates.

Battle of the Titans Tournament Fund Raiser

The Titans program has been established to give players that desire a higher level of competition at their age level a place to play. There will be Titan Spirit Wear available for purchase and we will be hosting tournaments to raise the funds needed to support the program. Lets show our community spirit by supporting the Titans program, plan to attend the games and cheer for our players. (The Titans teams are not the Little League All Star Teams.)

We will be hosting Tournaments on June 13-14 and July 11-12. Check the website for more details.

All Star Day Season Celebration

This day is packed with fun for everyone! There will be ball games played as well as field events and competitions like the home run hitting contest and a dunk tank for your coach dunking pleasure! There will be raffles throughout the day. This is also the last chance for us to move out our concessions product and close the season! The Grand Prize drawings will take place before the final All Star team game, as well as the hall of fame and sponsor appreciation ceremony. **Please plan on attending the festivities with your family!**

Burlington Little League Program Guidelines

These guidelines are designed to facilitate the best possible experience for every player at their level of playing. To achieve this, a great deal of consideration is given to ability, not to discourage players, but to create an environment that encourages all players to excel in the game. We also recognize that players develop at different levels even in their own age group, so we must recognize a system that encourages those players to excel at their own rate. With the exception of 12 year old players (mandated by Little League, Inc to participate in the Majors division, with exceptions), **these age ranges are to be used as they are intended, as guidelines only.** The Burlington Little League coaching program encourages coaches to place players in the level that will benefit each individual player.

TBall Division (5-7 year old)

Uses a soft baseball. An instructional league with the main goal of developing basic skills, and to ensure each player has a fun playing experience, encouraging players to continue to grow in the game and personally.

Rookie Division (7-8 year old)

Uses a hard baseball & a pitching machine that pitches 36-40 mph. 7 year old players are required to have one year experience in TBall prior to entering this league. This allows players to be encouraged, and predispositions them to have a more enjoyable experience.

Minor Division (9-11 year old)

Uses a hard baseball. Pitchers are introduced at this level as well as healthy competition. In order to achieve this, when placing players at this level, more emphasis is given to ability, keeping players from getting discouraged, and allowing for a much more positive experience.

Major Division (9-12 year old)

Uses a hard baseball. Players are drafted into this league to facilitate an even playing field. The level of competition is higher, so to ensure the competition remains healthy, there are stricter guidelines emphasizing ability as a prerequisite to entering prior to age 11. Playing time may be limited for younger players.

Junior Division (13-15 year old)

Uses a hard baseball. Players are drafted into this league to facilitate an even playing field. This league participates at the highest level of competition with emphasis on sportsmanship and citizenship.

Parent/Volunteer Pledge

I will teach all children to play fair and do their best
I will positively support all managers, coaches and players
I will respect the decisions of the umpires
I will praise a good effort despite the outcome of the game.

As a Parent and Good Citizen I agree:

I will not force my child to participate in sports
I will remember that children participate to have fun, and the game is for youth, not adults
I will inform the coach of any physical disability or ailment that may affect the safety of my child or others
I will learn the rules of the game and the policies of the league
I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice or event.
I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting, refusing to shake hands, or using profane language or gestures
I will not encourage any behaviors or practices that would endanger the health or well being of the athletes.
I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
I will demand that my child treat other players, coaches, officials, spectators with respect regardless of race, creed, color, sex, or ability.
I will teach my child that doing your best is more important than winning, so they will never feel defeated by the outcome of a game or his/her performance.
I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.
I will never ridicule or yell at my child or other participants for making a mistake or losing a competition.
I will emphasize skill development and practices and their importance over winning. I will de-emphasize games and competition in the lower age groups.
I will promote the emotional physical well being of the athletes ahead of any personal desire for my child to win.
I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field, and will take the time to speak with coaches at an agreed upon time and place.
I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol, and I will refrain from their use at all sports events.
I will refrain from coaching my child or other players during games or practices, unless I am one of the official coaches on the team.

Player Rules of Conduct

The Speed limit is 5 mph in the roadway and parking lots.
WATCH for small children around parked cars.
No alcohol allowed in any parking lot, field, or common areas within a Burlington Little League complex
No playing in the parking lots.
No playing on or around lawn equipment
Use crosswalks when crossing roadways
No profanity
No swinging bats or throwing baseballs within the common areas or walkways on the complex
No throwing balls against the dugouts or against the backstop
Catchers must be used for all batting practice sessions utilizing a hard ball,
No throwing rocks.
No horse play in walk ways
No climbing fences
No pets are permitted at games or practices
No "on deck" players except for the Junior division
Observe all posted signs. Players and spectators should be alert for foul balls and errant throws at all times.
During games, players must remain in the dugout area
After each game, players must clean up trash around the dugout and stands.
All Field gates must remain closed.

Respect The Game

Finally, I want to encourage everyone to come to the park, get involved in the program, and ask what you can do to help. We have a beautiful park, and some great facilities. Thanks to all of the board members, coaches and volunteers who give so much of their time to keep our league running smoothly. Our renewed dedication to training of coaches and players should increase our levels of success, both individually and team. To me, there is no better experience than being at a baseball game on a warm summer evening. Support the players, the coaches, the umpires, the organizers and the volunteers. They are all there for the same reason – BECAUSE THEY LOVE THE GAME. Enjoy it for what it is – A GAME.

RESPECT THE GAME :

- The safety of the participants in the game is more important than the final score.
- I value the contribution of the coach in developing the player's talents.
- I understand that officials do not make the rules, they only apply them.
- I understand that children learn from adults, and my behavior reflects what I want children to learn.
- I understand that officials are responsible to ensure that the game is played in a safe and fair manner for all participants.
- I understand that players, coaches and officials are learning the game, and mistakes will be made in the learning process.
- I may not cheer for the opposition team, but I will also not cheer against them or verbally abuse them.
- I understand that the biggest reason for players and officials quitting the game is abuse.

WHEN RESPECT IS SHARED, WE ALL WIN!

UMPIRES AND BALLPARK BEHAVIOR:

Baseball is a game of emotion and at times we can get caught up in it. We tend to verbalize that emotion – sometimes loudly and sometimes towards the umpires. While the majority of spectators know the boundaries of what is appropriate behavior, there are some who need a reminder that we are a community level sports program, not the Major League.

There have been several instances of adults yelling at umpires because they felt they made a wrong call. Some have quit because in their words “it's not worth the money”, “it's too scary” and “would you like working at a place where you were yelled at?”

The decrease in the number of kids wanting to umpire is not coincidental.

The umpires at the Minor level are mostly teenagers. They participate in a 2 day clinic and try their best to call a game on which most decisions are based on judgment. Their judgment is based on what they see at that moment. They do not have the luxury of an instant replay to verify their calls.

Your President, Kelley Albrecht, is taking a strong stand on unacceptable behavior towards umpires. There will be a zero tolerance policy for the abuse of an official in our park. The policy will be strictly enforced to protect the remaining and upcoming umpires. Should there be unacceptable behavior from either the dugout or the stands toward an umpire; the following steps will take place:

- The umpire will request the coach control the person behaving inappropriately. (this includes spectators, players and coaches)
- If the person (s) continues to be abusive, the game will be forfeited unless the offending person leaves the park.

Burlington Little League wants all players and parents to look forward to playing and watching ball. When you come to the park, grab a drink and a brat, sit back and enjoy! After all, it's just a game.
