Volunteer/Reimbursement Agreement

The cost of operating Burlington Little League is expected to exceed \$143,000 for the 2010 season. Approximately half of BLL's income is derived from player registration fees. While no player is turned away because of financial difficulties, the league obviously needs to collect registration fees if the program is to continue.

Every attempt is made to accomodate individual circumstances, but it is important to the success of the program that we find a way to recoup the fees waived.

Please select the best way you can help us recoup the fees waived:

Sell raffle tickets equalling the amount of the fees waived

Volunteer at a store front raffle ticket sales event (time and dates TBA)

Burlington Little League is a non profit organization, there are many volunteer opportunities available and the needs are great. Please consider volunteering your time and talents. It makes a huge impact on the program and it makes a difference to the players.

Volunteer/Services Sign Up

All members of Burlington Little League are encouraged to volunteer. There is a great need for volunteers in many areas. Please let us know how you can help! Multiple selections encouraged.

Please note: Volunteering is not required for assistance to be granted. Check all that apply
